

Cricket Live Score & Match Management System

Cricket being a special part of the lives of many people, there will be many takers for such a system and the ability to follow the match without seeing the video will make it interesting for many. A user who is unable to watch the match, for e.g., for someone who is stuck at office and working on the computer, can easily check the commentary on a regular basis to get updates on what is happening. The Cricket Score Board system will keep posting updated scores and the team line-up during the match.
